VICE PRESIDENT STRATEGIC ALLIANCES & GENERAL COUNSEL STRENGTHENS OPTION'S EXECUTIVE MANAGEMENT TEAM

Leuven, Belgium - January 22 2007 - Option N.V. (Euronext: OPTI; OTC: OPNVY), the wireless technology company, today announced that Patrick Hofkens has joined Option as its Vice President Strategic Alliances & General Counsel. Patrick Hofkens reports directly to Option's CEO, Jan Callewaert.

Hofkens, who holds a Master Degree in Law from the Catholic University of Louvain and a Master Degree in Corporate Law from the Catholic Universities of Brussels and Louvain, was previously Senior Legal Counsel for the Borealis Group, a petrochemical company with interests in Europe, Brazil and the US. Before that he worked for the international law firm Loyens & Loeff with offices in the Benelux and in the major financial centers worldwide. Patrick returns to Option having previously served as General Counsel to the company from April 1998 until end December 2002.

In his new role at Option, Patrick Hofkens will lead the development of strategic alliances and, as head of the legal department, provide general legal counsel to the Executive Management Team on all business matters. He will also act as Corporate Secretary to the Board of Directors.

"Alliances will be an important part to Option's further success in leading the burgeoning wireless broadband opportunities worldwide," said Jan Callewaert, CEO of Option. "The experience and expertise that Patrick brings from his senior role within a major international group and international law firm, combined with his existing knowledge of the inner workings of Option, will further strengthen our Executive Management Team."

About Option:

Option, the wireless technology company, is a leading innovator in the design, development and manufacture of 3G WCDMA (HSPA and UMTS), EDGE, GPRS, GSM and WLAN technology products for wireless connectivity solutions. Option has built up an enviable reputation for creating exciting products that enhance the performance and functionality of wireless communications. Option's headquarters are in Leuven, Belgium. The company has Research & Development in Leuven, a Software and Applications development centre in Adelsried (Germany), a Wireless Router development centre in Stockholm (Sweden), an ISO 9002 production engineering and logistics facility in Cork, Ireland.
